

 **KILLMOBIL**

<http://killmobil.com/>

<https://twitter.com/KLLMBL>

Thank you for purchasing **Unicut**.

Below you will find a list with all available shortcuts.

Please note that the shortcuts won't work if the focus is on the game window.

Mac users instead of Ctrl use ⌘.

Anything missing?

For any problems, bugs or general enquires please contact me at [info@killmobil.com](mailto:info@killmobil.com).

Shortcut list			
Key	Functionality	Key	Functionality
